

Scottish Civic Trust Activity Strands

Advocate

- Advocate for local members' issues at a policy level
- Comment on nationally-significant planning issues
- Publicise and comment on important issues affecting civic empowerment
- Advocate for Scotland's civic amenity groups in Europe and internationally
- Lead national campaign on civic issues
- Advocate for the needs of young people and minorities in the heritage sector

Celebrate

- My Place Awards: celebrating the impact of regeneration projects on local communities
- My Place Photography Awards: celebrating the involvement of young people in the built environment
- Scottish Heritage Angel Awards: celebrating individual contributions to heritage
- Run annual celebration and networking event for local groups
- Doors Open Days
- Maintain the Tobacco Merchant's House as an example of sustainable Best Practice

Empower

- Educate and train groups looking to engage with civic design forums
- Mentor groups looking to expand their capacity or try something new
- Create a best practice website for information sharing, aimed at local groups
- Provide lectures for groups to expand their knowledge
- Encourage the engagement of young people and minorities in the civic environment
